

MANEESHA KONDAPUREDDY

Junior Software Engineer | Full-Stack Developer | 2026 Fresher

+91 83090 58346 | maneesha.k2110@gmail.com | [LinkedIn](#) | [GitHub](#) | Ongole, Andhra Pradesh

PROFESSIONAL SUMMARY

Recent B.Tech CSE graduate with proven experience delivering end-to-end web application projects, including production-ready solutions used by real users. Demonstrated ability to take ownership of development tasks, quickly learn new technologies, and convert requirements into functional applications. Passionate about building quality software, improving user experiences, and contributing to innovative engineering teams. Ready to begin a professional software development career and available for immediate joining.

EDUCATION

B.Tech – Computer Science & Engineering

Rise Krishna Sai Group of Institutions, Ongole, AP | 2022 – 2026

CGPA: 8.0 / 10 | Class XII: 86% | Class X: 98%

TECHNICAL SKILLS

Languages & Technologies: HTML5, CSS3, JavaScript (ES6+), TypeScript, C#

Frameworks & Libraries: React.js, Angular 17, RxJS, ASP.NET Core, .NET

Database: MySQL

Web Hosting & Deployment: Vercel, cPanel, GitHub Pages

Tools: Git, GitHub, VS Code

AI Tools: ChatGPT, DeepSeek, GitHub Copilot, Claude

EXPERIENCE

Frontend Developer Intern — HMGEX

Ongole, Andhra Pradesh | 2024 – Present

- Delivered 2 production websites end-to-end: corporate site (hmgenx.com) and internship management portal (internships.hmgenx.com) serving 100+ student applications.
- Built responsive, pixel-perfect UIs using HTML5, CSS3, and JavaScript ES6+; ensured cross-browser compatibility on Chrome, Firefox, Edge, and mobile Safari.
- Used AI tools (GitHub Copilot, ChatGPT) to speed up development, debug form-validation logic, and improve code quality.
- Owned full SDLC solo: requirements gathering, wireframing, development, MySQL schema design, cPanel deployment, and maintenance.
- Migrated paper-based student onboarding to a structured digital form system backed by MySQL, eliminating manual data entry for 100+ registrations.

PROJECTS

ShopEasy – Full Stack E-Commerce Application | Angular 17, TypeScript, ASP.NET Core, C#, MySQL, RxJS, SCSS

- Built a full-stack e-commerce app with product catalog, shopping cart, checkout, order placement, and order history features.
- Developed dynamic product pages with image galleries and responsive layouts using Angular Material, SCSS, and CSS Grid.
- Implemented cart with add-to-cart, quantity management, subtotal calculation, and localStorage persistence.
- Built checkout with Reactive Forms, field validations, payment method selection, and order summary generation.
- Connected Angular frontend with ASP.NET Core Web API and MySQL via RESTful APIs; managed state with RxJS BehaviorSubjects.

JustWee – Private Couples App (Landing Page) | HTML5, CSS3, JavaScript, Responsive Design <https://justwee.hmgenx.com/>

- Built a responsive waitlist landing page for a couples-only private app featuring private chats, video calls, watch parties, games, and shared memories.
- Designed engaging UI sections including feature showcases, privacy architecture explainer, FAQ accordion, and an interactive waitlist signup form.

The Dubai Mall – Interactive Sales Deck | *React 19, TypeScript, Vite, Framer Motion, Tailwind CSS* <https://dubai-mall-deck-rouge.vercel.app/>

- Built a cinematic browser-based sales deck with 8-chapter narrative and 3 lazy-loaded sub-modules (Events, Sponsorship, Leasing) with working enquiry forms.
- Architected a fully data-driven component system — all content lives in one file, making the deck re-skinable without touching any component code.
- Achieved Lighthouse score 97 on desktop via route-level code splitting, WebP lazy-loading, and interaction-gated video loading.

HMGEX Corporate Website | *HTML5, CSS3, JavaScript* <https://hmgenx.com>

- Delivered a responsive corporate website from scratch to live production solo with fast load times and cross-browser parity.

CERTIFICATIONS

Responsive Web Design – Developer Certification | freeCodeCamp | August 2025 (~300 hours)
freecodecamp.org/certification/maneesha_kondapureddy/responsive-web-design

Front End Development – CSS | Great Learning Academy | June 2024

Front End Development – HTML5 | Great Learning Academy

KEY STRENGTHS

Fresher available for immediate joining | Open to relocation across India | Quick learner with real project experience | Strong problem-solving and communication skills | Consistent academic record (CGPA 8.0, 98% in Class X)

Available for immediate joining | Open to relocation across India
